

Updates of the Children of St. Clare's Home , Borjhar (09/04/2026)

St. Clare's Home is a hostel run by the Congregation of Clarist Franciscan Missionaries of the Most Blessed Sacrament, Mother Seraphina Province, India-Myanmar-Germany. The vision of this hostel is to support poor, orphaned girl students in their higher education by providing hostel facilities near their place of study. St. Clare's Home, Borjhar (Session 2025-2026) hosts students from Classes II to XII.

We are pleased to submit the report for the session 2025-2026, which includes 28 students from various states in North East India. Notably, this year, 8 students from Manipur, affected by the recent ethnic clash between the Meitei and Kuki communities, will continue their studies with us. These families have limited resources, and we're grateful to provide them with education, personal care, and opportunities to develop their talents and skills.

After their annual examinations, we organized Hostel Day, featuring games, sports, and competitions in singing, dance, acting, and drawing. An outing was also arranged for relaxation and entertainment. The day concluded with a heartfelt thanksgiving prayer service, showcasing the students' creativity and gratitude. Currently, the students are on holiday, and most have gone home. However, 5 students remain: 2 Class XII students are here as they are writing their Board exams, and 3 others whose parents are working as domestic helpers in Delhi have no one to care for them at home, so they are staying with us.

We're proud of their achievements and growth. The students have excelled academically, with all 28 promoted to the next classes. Three Class X students have written their board exams and are awaiting results, after which they will enroll in Class XI. Two students have completed Class XII and are awaiting their results.

Key Highlights:

- 28 students from North East India
- 8 students from Manipur, affected by ethnic clash
- Excellent academic performance, with all promoted to next classes
- Hostel Day celebrations, including games, competitions, and outing
Meaningful thanksgiving prayer service

We're committed to continuing our support for these students, empowering them to thrive and reach their full potential.

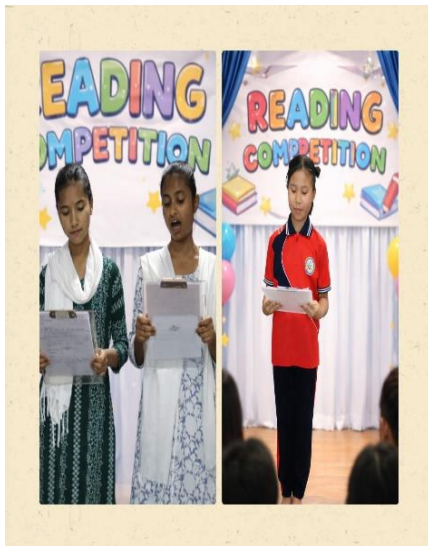

SINGING

OUTING

FELLOWSHIP MEAL

COMEDY

GAMES

These three children have completed their Class X Board Examination and are waiting for their results. They have gone home to their respective villages.

Afrina and Sushila have written their Class XII board examination and are waiting for their results. Since they've completed senior secondary, they'll be leaving the hostel to pursue higher studies

Jacinta has been with us in the hostel from the initial stage of her schooling; she's currently in Class VI. She belongs to a very poor family where her father is a TB patient and her mother works as a maid in Delhi to support her family and cover her husband's medical expenses. During the vacation, she's staying with us since there's no one to look after her.

We are delighted to share with you that Afrina, our outgoing Class XII student, has been crowned Miss St. Clare, in recognition of her exemplary character and outstanding contributions to the academic session. This achievement was announced during the Farewell party of Class XII.

Conclusion:

We are grateful for the support of Talitacum Association, which has enabled us to provide comprehensive care and assistance to our children. We look forward to continuing our mission to support and empower these deserving children, helping them become confident, capable, and compassionate individuals.

Recommendations:

1. Continued Support: We recommend that Talitacum Association continue to support our programs and services, enabling us to provide ongoing care and assistance to our children.
2. Increased Support for Orphaned Children: We suggest exploring opportunities to provide additional support to orphaned children, who require ongoing care and support throughout the year.

With much Love and prayers

Sr. Sangeeta Barla

Superior of St. Clare's Home Borjhar
