ST. CLARE'S HOME, BORJHAR

Progress, Activities and Impact Report – Session 2026–2027

"Every girl carries within her a dream; sometimes, all she needs is someone to believe in her."

St. Clare's Home, Borjhar, is a hostel run by the Congregation of Clarist Franciscan Missionaries of the Most Blessed Sacrament with a special concern for the education, care and holistic development of girl children. Inspired by the vision of our Foundress, Venerable Mother Seraphina Farolfi, who desired that every girl child should have a secure and meaningful future, the hostel seeks to provide a safe and nurturing home for girls who come from economically poor and vulnerable families.

"True generosity lies not merely in giving a donation, but in making a difference in someone's life."

This saying aptly reflects the vision of our beloved benefactress, Ma'am Maria Rosa. For her, every child is a precious gift of God, and every child has a right to education. With a heart full of compassion, she dreams of bringing a positive change in the lives of these bright young children. Through her generous helping hand, our children have been supported in various ways.

Our vision is to support poor and orphaned girl students in pursuing their education by providing them with hostel facilities and study. Along with education, we strive to offer them personal care, guidance, values, opportunities to discover their talents and the confidence to build a better future.

For the academic session 2026–2027, St. Clare's Home has welcomed 21 students from different parts of North-East India, studying in Classes III to XI. Each girl comes with her own story, dreams and challenges, yet within the hostel they experience a sense of belonging, friendship and family.

This year, five students from Manipur have continued their education with us. Their families have been affected by the ethnic conflict between the Meitei and Kuki. The situation in Manipur continues to remain difficult, as ongoing ethnic tensions and clashes continue to affect many families, particularly their safety, stability and access to education therefore these children could not go back to their place to continue their studies. and even the current situation is communities and face various financial and social challenges. We are grateful that St. Clare's Home could continue to be a place where these children can pursue their education in a safe and supportive environment.

Learning beyond the Classroom

At St. Clare's Home, education is understood not merely as academic learning but as the formation of the whole person. Along with their studies, the children are encouraged to develop responsibility, discipline, creativity, teamwork and concern for others.

We are happy to witness the steady progress of our students. Their achievements are a source of encouragement to all of us.

Their progress reminds us that when a child receives education, encouragement, care and opportunity, her possibilities can reach far beyond her circumstances.

Creative Key Highlights – 2026–2027

1) 21 Dreams, One Caring Home

Students from different parts of North-East India growing together in one family.

Children with Single Parent:

Only Mother

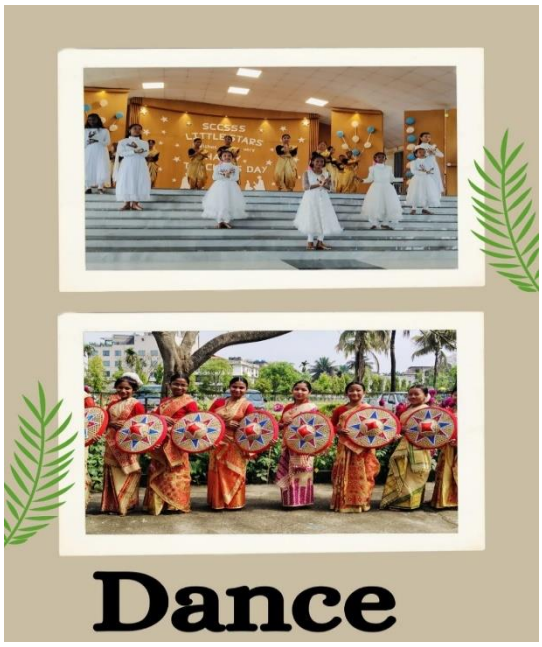

Only Father

2) 5 Stories of Courage from Manipur

Five students affected by difficult circumstances continue their education with hope and determination.

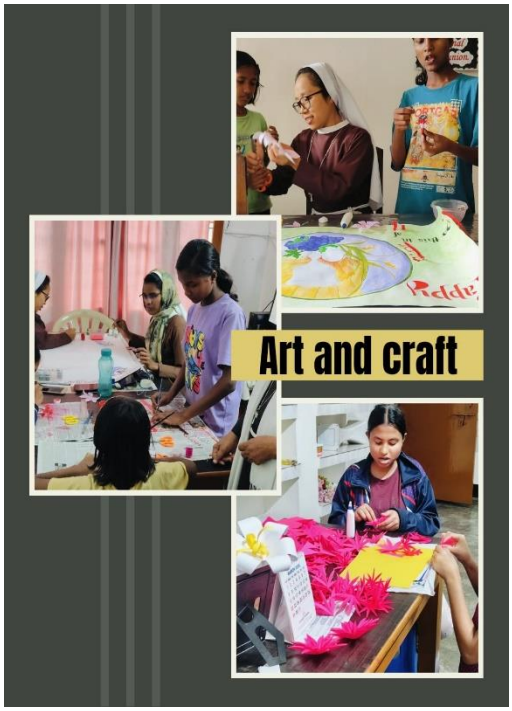

3) Talents beyond Textbooks: Singing, dancing, acting, drawing, games etc... gave every child a space to discover and express her gifts.

4) Division into four houses and School Cabinet members of the session 2026-2027

We proudly present the School Cabinet Members for the session 2026-2027. These young leaders have been selected for their discipline, dedication and exemplary conduct. We entrust them with the responsibility to uphold the values of our school and to be role model for their fellow students. We wish them all the best as they lead with service, integrity and team spirit.

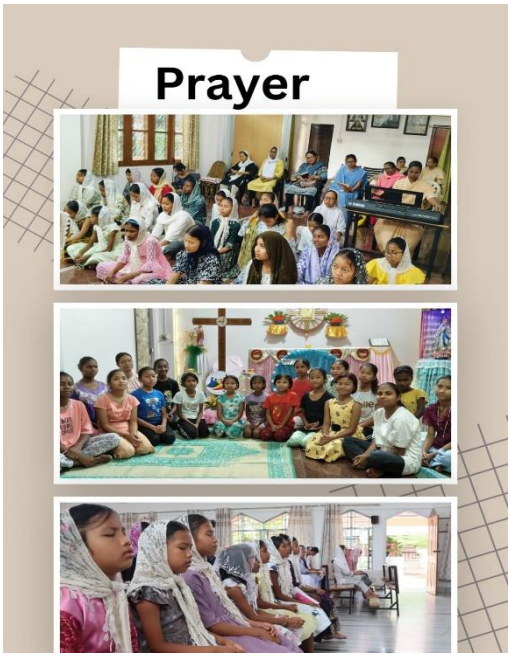

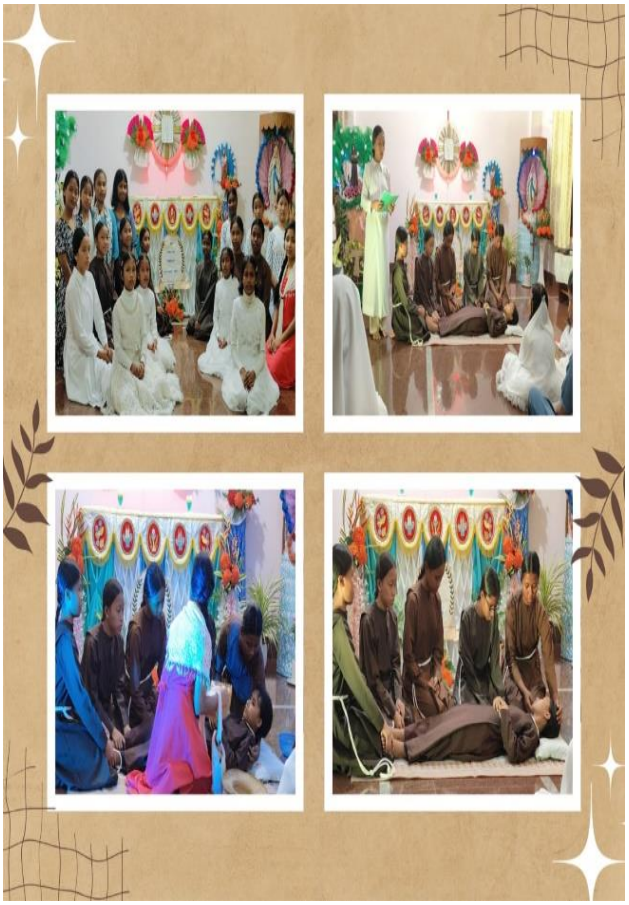

5) Education, Prayer, Talent, Hope, Acting, Virtual show etc..

Our journey is not only about helping girls complete their education, but about helping them become confident, responsible and compassionate young women.

6) Educational & Recreational Outing

The children enjoyed a joyful outing filled with fun, relaxation, bonding, and memorable moments. The experience helped them refresh their minds and strengthen their friendship and community spirit.

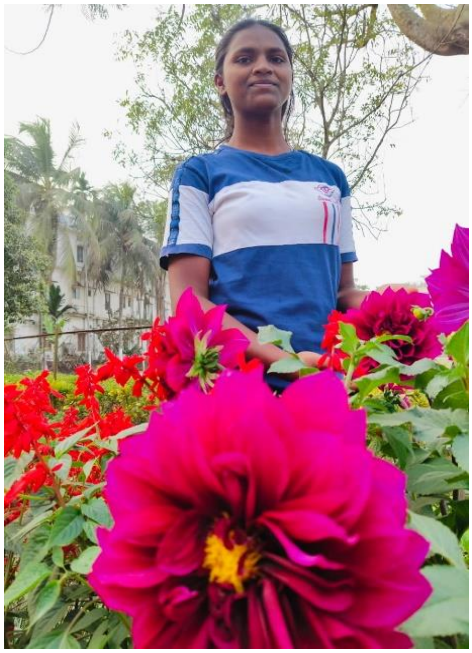

Two students successfully completed their Senior Secondary education with commendable results of 88% and 71%.

*With continued support, Sushila is pursuing nursing training.

Conclusion:

We express our heartfelt gratitude to the Talitacum Association for your unwavering and generous support, which has enabled us to provide holistic care, education and assistance to our children. Your partnership has been instrumental in our mission. We remain committed to nurturing these children to grow into confident, capable and compassionate individuals.

Looking Ahead:

We recommend exploring possibilities for extending additional support, especially for the orphaned and most vulnerable children who require year-round care, education and emotional support.

We express our heartfelt and sincere gratitude to our beloved Provincial, Rev. Sr. Bernadeth for her visionary initiative and constant encouragement. Her farsighted leadership and motherly support have inspired us to take up this mission with greater zeal and commitment. We remain deeply indebted to her for her guidance and blessings.

With much Love and prayers
